DETAILS ABOUT AUTOSHIP: This program is a convenient “subscription” for the retailer. We will automatically ship the magazines to you as they are released. You decide which of our publications to receive as well as the quantities of each of the publications, with a minimum of six (6) for any one magazine. We do not require quantities to be multiples of six (6) as long as quantity totals are six (6) or more. You may change quantities or cancel eight (8) weeks prior to the release of the next issue. If you cancel after the shipment is processed, you will be responsible for payment of the outbound shipping costs, even if you choose to return the magazines. Returns will be accepted via prepaid UPS only. We will not be responsible for items returned via USPS or other non-trackable means. The magazines are shipped so you will receive them no later than the first day of the release month. For example, a July/August cover date will be shipped to you in June to arrive no later than July 1.

AUTOSHIP BENEFITS PACKAGE:

- **“WATCH FOR” LIST:** Be the first to get listed on our web site special store locator listing before the special publication is released. Over 15 million hits are received each month on our web site at www.stampington.com. Customers will be directed to your store first.
- **EASY RETURNS:** Call tags are simply issued if you're not pleased with the special publications you received.
- **100% CREDIT:** 100% credit is issued for any returned publication over six months old**.

** Returned Publication(s) over six months old must be in resalable condition. Publications two years or older are nor returnable.
